MEMORANDUM TO CHIEF, LONDON BUREAU  
CHIEF, MEDITERRANEAN BUREAU

SUBJECT: Coordination of Coverage

Further to memorandum dated 2 January 1948 outlining the principles governing action upon BBC requests for Mediterranean Bureau coverage, the following procedures will obtain to secure maximum coordination from FBIB point of view of the monitoring product of the two Bureaus.

1. Chief, Mediterranean Bureau, will review London coverage lists and adjust Mediterranean Bureau coverage to close gaps without overlap to the extent possible. If there is doubt as to the regularity of London coverage of listed broadcasts, he will request clarification of the Chief, London Bureau. If there is doubt as to the value of certain coverage, he will request a determination from Chief, Field Division.
2. Chief, London Bureau, will review Mediterranean Bureau daily file for detailed observation of coverage gaps or duplicate coverage, and will report his observations to Chief, Mediterranean Bureau, for action. If Mediterranean Bureau is unable to fill particular coverage gaps, the Chief, London Bureau, will ask BBC to cover if possible.
3. All adjustments in coverage will be reported immediately to Chief, Field Division.
